BRAVO BRAVO TO A SUCCESSFUL PRODUCTION

Wow what a performance! We are so very proud of all of our creative and talented students. A big congratulations to all of our students for their performance in The Legend Of Mulan last week. A big thanks to the parents and community members who assisted with props, making costumes and applying makeup. A special mention to Mr & Mrs Marriott who again pulled off an amazing backdrop setting the scene for our production. Ms Zoe Hodson created some beautiful costumes and we are all very grateful for the time and effort she put into our show, Thank you Zoe. The artworks around the hall were created by all of our students and looked outstanding. A special mention to the Orange Christian School for loan of some costumes and props. It takes a lot of time and patience to put on such a big event but it really pays off in the end. Staff have worked hard to put it together, cutting music, designing props, costumes, ticketing and helping students practice their lines and dance steps. This is an event that really brings our community together. The town of Cudal really comes alive when the school production comes to town. Again, thank you to everyone for making this event such a success.

The simplest way

... to wear SunSmart clothing

Clothing provides a barrier between your skin and damaging ultraviolet (UV) radiation - unlike sunscreen, it can't be wiped or washed off.

For the BEST protection, choose:

- Shirts with collars or high necks, and sleeves
- Trousers or longer shorts and skirts that come to below the knees
- Clothing that is loose rather than stretched across the skin

Clothing is just one part of sun protection! Remember to use SunSmart hats, sunglasses, apply sunscreen, and seek out shade.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartsnsw.com.au
